Sponsoring Opportunities

Electric Vehicle Conference

14 -16 May, 2025
Stuttgart, Germany

Thank you very much for your interest in becoming a sponsor of the EVC at Stuttgart!

The EVC aims to provide a forum for scientists, engineers and managers to exchange information about planned and ongoing programs and present new ideas on the electrification of transportation.

We offer sponsors will a platform for presenting their companies, products and services as well as an opportunity to get in touch with interested participants. Three packages have been designed in order to meet the needs of all sponsors.

If you have any questions, please do not hesitate to contact

Tatiana Borovleva

To get an impression of our planned event, please visit
the homepage of the last EVC in Edinburgh: <https://8evconference.co.uk/>

Venue

The Electric Vehicle Conference 2025 will be held in the **Filderhalle** near **Stuttgart, Germany**, from 14 - 16 May, 2025.

From the automobile museum to the baroque castle and the world's first steel-structure television tower – Stuttgart has fascinating sites to visit. The view of the local economy is also impressive: The Stuttgart region is characterized by a broad entrepreneurial diversity - a balanced mix of global brands and extremely innovative medium-sized companies.

In addition, Stuttgart has a first-class research infrastructure with many leading universities and institutes that develop cutting-edge technologies.

Filderhalle is a modern convention and event center for medium and large conference settings. Additionally, it offers excellent transport links to regional, national and international destinations.
